

Hartford Remembers the Holocaust

Exhibit and Tour

The exhibit at the **Museum of Jewish Civilization**, University of Hartford, introduces visitors to the history of the Holocaust through the *experiences of Holocaust survivors* who settled in our community.

We invite students, teachers, and the community to remember the pasts of those in our community. **Our mission is to combat anti-Semitism, racism and prejudice in the world**, implemented by our educational tours that include themes such as:

- ❖ Remembrance
- ❖ Responses to Persecution
- ❖ Resistance
- ❖ Life post-trauma
- ❖ Refugee experiences

Admission is **FREE** and travel subsidies may be issued upon request. We recommend allotting 2 hours for a class trip to view the exhibit only, and 3 hours to view the exhibit and schedule a Hartford-area **Holocaust survivor** as a speaker during the tour.
